The Company shall have the exclusive right to defend, settle or compromise any claim or demand instituted by any third party against The Company, or against The Company and User, arising out of User's breach of this Agreement. User hereby waives any and all rights User may have independently to defend, settle or compromise any such claims or demands and agrees to cooperate to the best of User's ability with The Company with respect thereto, but The Company may, in its sole discretion, authorize and require User to defend, settle or compromise any such claim or demand as it deems to be appropriate at User's cost, expense and liability. (including attorneys' fees), if any, incurred by The Company in collecting overdue fees from User.

1.12.6 This Agreement is made in User's personal capacity and not on behalf of any firm, corporation or other entity, unless User's account is designated as such. 1.12.7 All express or implied conditions, warranties or undertakings, whether oral or in writing, in law or in fact, including warranties as to satisfactory quality and fitness for a particular purpose, regarding the Information or any aspect of the Systems (including but not limited to Information access and order execution), are excluded to the extent permitted by law.

The Company may modify the Systems or change the terms of this Agreement, in whole or in part, upon notice through the Systems, electronically and/or in writing.

Trade Responsibly: Contracts for Difference ('CFDs') are derivative financial products that are traded on margin ('leveraged products'). Trading on margin carries a significant level of risk since leverage can magnify your profits as well as your losses. Thus, leveraged products may not be suitable for you as you may lose all your invested capital. You should not risk more than you are prepared to lose. If you are unsure about trading, you may wish to seek independent advice first. Please read carefully our 'risk disclosure notice' for further details on the risks of trading leveraged products.

2. Client Agreement

I. Introduction

This Client Agreement (the ‘Agreement’), including the Schedules as amended from time to time, is the document which governs the relationship between you (also referred to as ‘Client’, ‘your’ and ‘yourself’, as appropriate) and Prime Ash Capital Limited (‘we’, ‘us’, ‘our’ and ‘ourselves’, as appropriate) concerning the services we provide and your activity with us.

Prime Ash Capital Limited is a private limited company incorporated in Mauritius with registered address in 6 St Denis Street, 1/F River Court, Port Louis 11328. Prime Ash Capital Limited is authorised and regulated as an Investment Dealer by the Mauritius Financial Services Commission (Licence no. [GB21026568](#)).

For your benefit and protection, please ensure you take sufficient time to read the Agreement as well as any other additional documentation and information available to you via our website prior to opening an account and/or carrying out any activity with us. You should contact us for any further clarification or seek independent professional advice (if necessary).

In consideration of The Company, or any of its affiliates, agreeing to carry on one or more accounts of the undersigned (hereinafter referred to as “Client”) and to provide services to Client in connection with the purchase and sale of Contracts for Difference (collectively referred to as “CFDs”) on Equities, Futures, Currencies and any similar instruments as added or removed from time to time from our platforms (collectively referred to as OTC “Contracts”), which may be purchased or sold by or through The Company for Client’s accounts(s), Client agrees as follows:

II. Establishment Of Account

Client understands, acknowledges and agrees that by executing this Agreement, and subject to the terms and conditions of this Agreement, an account will be established in the Client’s name at The Company, or any of the Companies affiliates (collectively “The Company”), that The Company, in its sole discretion, may elect. Client further acknowledges that, subject to the terms and conditions herein, The Company shall act as counterparty to all transactions conducted under this Agreement.

This Agreement shall be deemed as executed from the moment that you provide us with an e-mail address and password to access our services.

III. Authorisation To Trade

The Company is hereby authorised to purchase and sell the abovementioned types of securities for Client's account(s) in accordance with Client's oral, written or electronic instructions. Unless instructed by Client to the contrary in writing, The Company is authorised to execute all orders with itself as counterparty or with such other counterparties as The Company deems appropriate.

IV. Governmental, Counterparty Institution And Inter-Bank System Rules

All transactions under this Agreement shall be subject to the constitution, by-laws, rules, regulations, customs, usage, rules and interpretations of the counterparty institution or other inter-bank market (and its clearing organisation, if any) where executed and to all applicable laws of Mauritius. If any statute shall hereafter be enacted or any rule or regulation shall hereafter be adopted by any governmental authority, which shall be binding upon The Company, this Agreement shall be deemed modified or superseded, as the case may be, by the applicable provisions of such statute, rule or regulation, and all other provisions of this Agreement and provisions so modified shall in all respects continue in full force and effect. Client acknowledges that all transactions under this Agreement are subject to the aforementioned regulatory requirements.

V. Margin And Deposit Requirements

Client shall deposit with The Company collateral or margin in such amounts that The Company, in its sole discretion, may require. Margin requirements will vary dependent on the electronic trading system and products traded. The Company may change margin requirements at any time. Client agrees to deposit by immediate payment methods which The Company will have available such additional margin when and as required by The Company and will promptly meet all margin calls by such methods as The Company in its sole discretion designates. The Company may at any time proceed to liquidate Client's account in accordance with paragraph 10 below, and any failure by The Company to enforce its rights hereunder shall not be deemed a waiver by The Company to enforce its rights thereafter. No previous collateral or margin requirement by The Company shall preclude The Company from increasing that requirement without prior notice. Margin calls are conclusive and binding unless objected to immediately in writing. Client understands that a margin call may occur even in instances where account positions are hedged and given spreads may widen as set forth in paragraph 7 herein, causing remaining margin to diminish. Should remaining margin be insufficient to maintain open positions, the account may sustain a margin call, closing out any open positions in the account.

VI. Position Limitation And Extraordinary Events

The Company retains the right to limit the amount and/or total number of open positions that Client may acquire or maintain at The Company. The Company reserves

the right to refuse to accept any order. The Company shall not be responsible for any loss or damage caused, directly or indirectly, by any events, actions or omissions beyond the control of The Company including, without limitation, loss or damage resulting, directly or indirectly, from government restrictions, war, strikes, labour disruptions and terrorist acts. The Company shall not be liable for damages, including lost profits or trading losses caused by delays or inaccuracies in pricing or the transmission of orders or information due to a breakdown in or failure of any transmission or communication facilities, unauthorised access, theft or systems failures. Client understands The Company is authorised to reclaim any trading profits Client obtains through the trading of delayed or inaccurate pricing.

VII. Pricing, Conditional Orders And Gapping Markets

Client acknowledges and understands that The Company does not guarantee the execution of orders at specific prices, including conditional orders such as stops and/or limits, specifically at times of increased volatility or volume, including market news announcements, due to gapping markets, greyed out pricing, and market liquidity. Client understands that orders received during instances of increased market volatility will be filled at the next best price available or the fair market value. Client acknowledges that during instances of gapping markets, conditional orders, specifically stop losses, will be filled at the next available price following a gapping market. Pricing can gap past the price set forth in conditional orders, resulting in clients losing more funds than initially intended. Client acknowledges that due to such risks, The Company encourages clients to utilize market orders rather than conditional orders, as market orders are provided with a requote and allow Clients to accept or reject the new price. Client agrees that The Company is not responsible for any losses, including margin calls, which occur as a result of conditional orders being filled during a gapping market or orders being filled at certain prices as a result of greyed out pricing and/or limitations in market liquidity.

VIII. Widened Spreads

Client understands and acknowledges that there may be instances where spreads widen beyond the typical spreads offered. During volatile markets, such as news announcements, spreads may widen substantially in order to compensate for increased market volatility. Client is advised to utilize extreme caution when trading during increased volatility in the markets, including major news events, as widened spreads can adversely affect all positions in an account including hedged positions.

IX. Settlement Date, Rollovers And Interest

The Company is authorised, in its absolute discretion, to rollover or offset all or any portion of positions maintained in CFDs within Client's Account(s), maintained on any electronic trading platform at Client's risk. A position carried forward may be credited

or debited interest charges until the position is closed. All CFDs on Futures are not rolled over at contract expiration. The Company shall close all positions at expiration of Futures contracts and client may, at his/her sole discretion, elect to purchase a new contract. At its discretion, The Company may elect to offer Client an interest free account whereby positions carried forward will not be credited or debited interest charges. Client agrees and acknowledges that if such an account is offered by The Company to Client, The Company has the authority to, at its own discretion and at any time and for any reason, begin crediting and/or debiting interest charges to said account without prior notice to Client.

X. Collateral And Lending Agreement

All funds, securities, currencies, and other property of Client that The Company or its affiliates may at any time be carrying for Client (either individually, jointly with others or as a guarantor of the account of any other person) or which may at any time be in its possession or control or carried on the books of The Company for any purpose, including safekeeping, are to be held by The Company as security and subject to a general lien and right of set-off for all obligations and liabilities of Client to The Company whether or not The Company has made advances in connection with such securities, currencies or other property, and irrespective of the number of accounts Client may have with The Company. The Company may in its discretion, at any time and from time to time, without notice to Client, apply and/or transfer any or all funds or other property of Client between any of Client's accounts. Client hereby also grants to The Company the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other Clients, to itself as broker or to others, any securities or other property of Client held by The Company as margin or collateral. The Company shall at no time be required to deliver to Client the identical property delivered to or purchased by The Company for any account of Client. Should Client take delivery of currencies through settlement of trades, The Company is obliged to make full payment for the delivery on 24-hour notice. If the balance in the Client's account is not adequate to pay for the delivery, the depository receipts held in the name of Client or The Company, as Client's agent or nominee, become property carried on margin in the Client's account, since they are not fully paid for by Client. This authorisation shall apply to all accounts carried by The Company for Client and shall remain in full force until all accounts are fully paid for by Client or notice of revocation is sent by The Company.

XI. Liquidation Of Accounts / Deficit Balances

In the event of: (a) the death or judicial declaration of incompetence of Client, (b) the filing of a petition in bankruptcy, or a petition for the appointment of a receiver, or the institution of any insolvency or similar proceeding by or against Client, (c) the filing of an attachment against any of Client's accounts carried by The Company, (d)

insufficient margin, or The Company's determination that any collateral deposited to protect one or more accounts of Client is inadequate, regardless of current market quotations, to secure the account, (e) Client's failure to provide The Company any information requested pursuant to this agreement, or (f) any other circumstances or developments that The Company deems appropriate for its protection, then, in The Company's sole discretion, it may take one or more, or any portion of, the following actions: (i) satisfy any obligation Client may have to The Company, either directly or by way of guaranty of surety, out of any of Client's funds or property in its custody or control, (ii) sell or purchase any or all Contracts, securities or property held or carried for Client, and (iii) cancel any or all outstanding orders or contracts, or any other commitments made on behalf of Client. Any of the above actions may be taken without demand for margin or additional margin, without prior notice of sale or purchase or other notice to Client, Client's personal representatives, heirs, executors, administrators, trustees, legatees or assigns and regardless of whether the ownership interest shall be solely Client's or held jointly with others. In liquidation of Client's long or short positions, The Company may, in its sole discretion, offset in the same settlement or it may initiate new long or short positions in order to establish a spread or straddle which in the sole discretion of The Company may be advisable to protect or reduce existing positions in a Client's account. Any sales or purchases hereunder may be made at The Company's discretion with any inter-bank or other market where such business is then usually transacted or at a public auction or private sale, and The Company may purchase the whole or any part thereof free from any right of redemption. Client shall at all times be liable for the payment of any deficit balance in Client's account(s) upon demand by The Company and in all cases, Client shall be liable for any deficiency remaining in Client's account(s) in the event of the liquidation thereof in whole or in part by The Company or by Client. In the event the proceeds realized pursuant to this authorization are insufficient for the payment of all obligations and liabilities of Client owed to The Company, Client shall promptly pay upon demand, the deficit together with interest thereon at a rate equal to three points above the then prevailing prime rate at The Company's principal bank or the maximum interest rate allowed by law, whichever is lower. Client agrees to pay and shall be liable for all reasonable costs and expenses of collection, including but not limited to, attorney's fees, witness fees and travel expenses. In the event The Company incurs expenses other than for the collection of deficits, with respect to any of Client's account(s), Client agrees to pay such expenses.

XII. Monthly Statements and Confirmations

Transaction confirmations of orders and statements of account s for Client and made available solely online, shall be deemed correct and accurate and shall be conclusive and binding upon Client if not objected to immediately to by Client, in writing to (insert), within five (5) business days of such activity being reviewable online. Failure to object

shall be deemed acceptance and ratification of all actions taken by The Company or The Company's agents. Client's failure to receive a transaction confirmation shall not relieve Client of the duty to inquire of The Company and to object as set out herein.

XIII. Commissions and Fees

Client agrees to pay all charges relating to the CFD transactions conducted by or through The Company, including without limitation commissions, mark-ups, markdowns, transaction fees, transfer and cancellation charges, and inactive account fees. The Company may adjust its charges without notice. All such charges shall be paid by Client as incurred and deducted from Client's account. The Company may share such commissions or mark-ups and markdowns with third parties. Transaction fees are assessed per trade on certain trading platforms. Funded accounts which remain inactive for a period of six (6) months will be charged an inactive account fee of \$50.00 USD. The Company's failure to charge any such fees does not waive or invalid its right to deduct such fees in the future.

XIV. The Company Responsibilities

The Company will not be responsible for delays in the transmission of orders due to a breakdown or failure of transmission or communication facilities, electrical power outage or for any other cause beyond The Company's control or anticipation. The Company is not responsible for losses or other adverse effects realised by Client accounts as a result of gapping markets, repricing or instances of increased volatility in the markets. The Company shall only be liable for its actions directly attributable to gross negligence, wilful default or fraud on the part of The Company. The Company shall not be liable for losses arising from the default of any agent or any other party used by The Company under this Agreement. Since over-the-counter Contracts are not traded on an exchange, the prices at which The Company is willing to deal or the quotes published by The Company may differ from prices confirmed or quoted by other CFD market makers or dealers.

XV. Identity Verification

Client acknowledges and agrees that he/she may be required to submit copies of unexpired government issued identification and address verification documentation to The Company. Client further agrees that The Company has the authority to delay, cancel or otherwise postpone trading or the depositing/withdrawing of funds, regardless of amount, until Client has provided copies of unexpired government issued identification and/or address verification documentation as required. The Company reserves the right to request additional documentation in order for The Company to adequately verify the Client(s) identity.

XVI. Currency Fluctuation Risk

If Client directs The Company to enter into any CFD transaction: (a) any profit or loss arising as a result of a fluctuation in the exchange rate affecting such currency will be entirely for the risk and account of Client; (b) all deposits for margin purposes if made in currency other than U.S. Dollars may be converted to U.S. Dollars, in such amounts as The Company may in its sole discretion require; and (c) The Company is authorised to convert funds in Client's account for margin into and from such foreign currency at a rate of exchange determined by The Company in its sole discretion on the basis of the then prevailing money market rates. Similarly, Client understands and acknowledges that any payment methods utilised by the Client which involves a necessary conversion into U.S. Dollar will be done so at the expense of the Client.

XVII. Risk Acknowledgment

Client acknowledges that investments in leveraged and non-leveraged transactions are speculative, involve a high degree of risk, and are appropriate only for persons who can assume risk of loss in excess of their margin deposit to carry CFD positions and may result in significant losses that substantially exceed Client's investment and margin deposit. Client represents and warrants to The Company that Client is willing and able, financially and otherwise, to assume the risk of trading in CFD transactions, and in consideration of The Company's carrying his/her account(s), Client agrees not to hold The Company responsible for losses incurred through trading. Client recognises that guarantees of profit or freedom from loss are impossible in trading financial instruments such as CFDs. Client acknowledges that Client has received no such guarantees from The Company or from any of its introducing or referring agents or other entities with whom Client is conducting his/her The Company account and has not entered into this Agreement in consideration of or in reliance upon any such guarantees or similar representations. **If Client has received any such guarantees or inducements, Client is advised to report such activity to The Company as promptly as possible.**

XVIII. Client Representations and Warranties
